

Healthcare Placement Solutions by Crooru and AlereCare

Capacity Statement

Collaboration of Expertise

In an effort to enhance Crooru's Platform and Services for the Healthcare industry, Crooru is proud to announce our partnership with AlereCare.

In partnership with AlereCare, we have introduced permanent healthcare recruitments, hiring and replacement services from the Philippines. Utilizing best practices, systematic procedures, and policies throughout the industry. Our recruitment process in the Philippines is represented by most trusted providers and staffing services worldwide through Uniplan Overseas Employment accredited by (POEA) Philippines Overseas Employment Administration. Our training center in the Philippines is managed by our partner HIS (Health Industry Services), who provides clinical training including special requirement specified by our clients to all recruited candidates before deployment.

Capabilities

Healthcare Solutions: AlereCare assists with long-term HR planning to assure fulfilling permanent staffing needs for all hospital and other healthcare facilities for professional caregivers such as Physicians, Registered Nurses, Physical Therapists, CNAs and Speech Therapists.
